MINUTES OF THE MEETING

A meeting was held with committee members on 16/05/2024 at 3:00pm at Tutorial Room to discuss various academic & disciplinary matters related with the students.

- ▷ Principal explained the concerns regarding the academic performance in internal assessment & University exams & lack of academic attitude among the students. Matter related with the indecent dress code, poor grooming, were also expressed. All members have same opinion.
- ▷ Attendance should be strictly monitored & any lenience in this regard is taken as granted by students which is unhealthy development. No student is to be permitted to write exams if min. 75% attendance is not fulfilled.

- ▷ Internal assessment examinations are mandatory & a student with less than 45% average mark is not allowed to write the University Exam. They may be given additional chances to improve their performance. Those who are absent for Internal Assessment are not allowed to appear for final exams.
- ▷ Class teachers should prepare a consolidated list of students who are not eligible to write final exams due to shortage of attendance & extremely poor performance in IA Exams.
- ▷ Students are to be encouraged to have interaction with passed meritorious students. Meeting ended with vote of thanks.
